

Provider

MEET AND GREET

Make TASSP Part of Your Practice This Summer!

New Resources for Therapeutic After School & Summer Programs (TASSP)

Optum Idaho invites you to join us for our quarterly *virtual* Provider Meet & Greet Thursday, May 20, 2021. This is a chance to share information and connect with Optum providers around the state.

Our spring Meet & Greet will be hosted by Optum Idaho Sr. Clinical Program Consultant Dr. Dennis Woody, a pediatric neuropsychologist, who will explain the goal of TASSP, how to create TASSP programs and services, and new resources for providers to provide structured treatment services during after-school, summer or out-of-school time.

May 20, 2021 at Noon MDT / 11 a.m. PDT

To attend this webinar, you **MUST** sign up via Webex to ensure you have the correct link.

Use this [link](#) to register for the LIVE webinar.

Enter your information and click on “Register”.

Webex will send you an email with the link for the event.

If you have any questions, please contact the Optum Idaho Education Department at optum.idaho.education@optum.com.

If you have questions about TASSP, contact us at Optum.Idaho.TASSP@optum.com
