Crisis Prevention Institute (CPI): Nonviolent Crisis Intervention Training
Foundation and Refresher

Optum now offers CPI’s Nonviolent Crisis Intervention training and certification at no cost to all in-network providers. This training is offered in a blended learning environment, with on-demand training modules, via the Relias e-learning platform prior to a live (webinar) certification. The courses are available now on Relias. Bachelor’s level paraprofessionals are required to have a CPI Nonviolent Crisis Intervention certification to bill crisis services (Crisis Intervention or Crisis Response) as of April 1, 2019.

**Which Nonviolent Crisis Intervention class do I take?**

**Foundation Course** – This is a 4-hour course designed for providers who have never taken the CPI Nonviolent Crisis Intervention course.

**Refresher Course** – This is a 2-hour course designed for providers who are already CPI certified and previously took the Foundation course two years ago.

**What are the steps to getting certified in Nonviolent Crisis Intervention?**

Providers who wish to become certified in Nonviolent Crisis Intervention should take the following steps:

1. Complete the online training modules via the Relias e-learning platform.
2. After completing the modules, attend the live training (currently taking place via live webinar).
3. After the webinar, complete the online exam found within the live webinar course section.

**How can I access the training?**

**Accessing online training modules through Relias:** Follow the steps below to access the online training assigned to you:

1. **Log in** to Relias.
2. **Click** the “Assignments” tab on the left-hand side of the screen.
3. **Scroll** down to Elective Courses.
4. **Search** for one of the following courses:
   - “Crisis Prevention Institute (CPI): Nonviolent Crisis Intervention Foundation Course - Blended Learning” (OICP101) **or**
   - “Crisis Prevention Institute (CPI): Nonviolent Crisis Intervention Refresher Course – Blended Learning” (1067552)
5. **Click** on “Take Now”.
6. When you complete the course, **Print** and complete a Learner’s Guide from the online modules to prepare for the live training.

**Please note:** You must complete the online learning modules prior to attending the live webinar training.
Live Webinar Training

You will receive a link to the training from one of the following:
  a) From WebEx (using the email address messenger@webex.com) or
  b) From Optum Idaho Education (with a Microsoft Teams link).

We recommend adding this link to your calendar for convenient access on the day of the webinar.

Final Exam

The final exam is included in the Live Event training module in Relias and must be completed after attending the live webinar in order to complete your CPI Certification.

- Crisis Prevention Institute (CPI): Nonviolent Crisis Intervention Foundation Live Webinar Training (948361) or
- CPI Nonviolent Crisis Intervention Refresher Live Webinar (1084432)

NOTE: Enrollment is limited to 30 participants per session for the Foundation course and 100 participants for the Refresher course. Providers are encouraged to complete the prerequisite online training modules early to ensure readiness at the webinar. If the class is full for the date you have selected, you will be notified and asked to select a different date from the course schedule.

Live Tech Check

To check your connectivity prior to the Live Webinar, Optum provides a live “tech check” 30 minutes prior to the webinar start time. Connectivity questions will be addressed at this time.
